

Prepare for the USCCB's Christological Curriculum Guidelines

STEP's Secondary Schools Curriculum Package

Includes three courses that will prepare you and your colleagues with rich Christocentric theology

In God's Image: The Mystery of Creation

Understand the beginning of Salvation History and the Fall

Jesus Christ: Yesterday and Today

Discover the central concepts of the study of Christology

Develop your own Christological focus

The Doctrine of Salvation in Jesus Christ

Give expression to a Catholic notion of salvation

Appreciate the range of Catholic understandings of salvation

These three courses comprise 18 weeks of study. Each course is six weeks long. Customized versions of the courses can be created for your faculty and delivered according to your schedule. Or, you can take the courses according to STEP's public schedule.

See <http://step.nd.edu> for course schedules and details. Please contact us by e-mail at stepnd@nd.edu or call toll-free at 1-866-425-7837 (STEP) if you have any questions.
