

Notre Dame Offers Online Theology Courses

The Satellite Theological Education Program (STEP) offers courses on the Internet for adults interested in faith formation. Topics include Scripture, Eucharist, Christology, the Creed, Ethics, and Liturgy. Courses are six weeks in duration and do not require advanced computer or theology training, only access to the Internet and a desire to learn more about your Catholic faith! Please see the STEP Web site at <http://step.nd.edu> for more information or to register for courses.
